Ocloc TGT

Owned, Designed and Manufactured in Australia

Ocloc Table Grape Trellis Horticulture Solutions

Ocloc TGT is a robust & simple to install trellis post

Ocloc TGT is a functional long-term structure and easily removed for reuse.

Ocloc TGT is 100% recyclable delivered 100% carbon offset

Ocloc TGT is 1.55mm. thick, available in 2.1m & 2.4m lengths

Ocloc TGT is 1.80mm. thick, available in 2.1m and 2.4m lengths

Ocloc TGT are practical support stakes for growing vine crops, tomatoes, capsicums, beans and all other, vertical climbing plants.

Ocloc TGT have rounded wire holes for string and wire protection plus easy tying (Ocloc plastic K clips are available if required, see picture below)

Ocloc Vine Stakes are protected by Galfan, a premium coating incorporating Zinc, Aluminium and rare metals, for a long lifespan.

Ocloc has an accessorised post puller for post removal to allow for seasonal reuse. For exceptionally heavy or rocky ground, ramming heads are available.

OCLOC, The trusted name in trellis construction
